

GACL Tech Fee Proposal

1. Mullins Research Commons General Access Lab

Replacements are needed for out of warranty systems in this lab area. The Research Commons has become the most heavily used lab on campus. These systems are incurring repair costs due to being out of warranty. There have also been complaints about system performance levels because the systems are out of date.

# of Systems	Cost Per	Total
46	\$1200	\$55,200

2. General Access Computing Lab Printers

Replacement printers are needed in the GACL's.

# of Printers	Cost Per	Total
4 HP 9050	\$3647	\$14,588

3. Checkout Laptops in MULN, GREG, and STC

New laptops are needed to replace the aging and heavily used checkout laptops in Mullins, the Enhanced Learning Center, and the Student Technology Center. These are also out of warranty and costing in repairs as well as being out of date. The STC will also need a number of carrying cases equal to the number of laptops purchased less ten.

Location	# of systems	Cost Per	Total
MULN/ELC	35	\$1400	\$49,000
STC	50	\$1400	\$70,000
Carrying Cases	40	\$22	\$880

4. Enhanced Learning Center

Replacement systems are needed in the ELC for systems that are outdated and out of warranty.

# of Systems	Cost Per	Total
32	\$1200	\$38,400

5. Mullins Research Commons/ADSB

With new systems put in the Research Commons and ADSB the older systems can be moved to the QUAD to place much older and out of warranty systems.

# of Systems	Cost Per	Total
35	\$1200	\$49,200

6. Additional Checkout Equipment in the STC

The Student Technology Center is in need of some additional projectors and camcorders in order to meet the growing demand for these items.

Item	# of systems	Cost Per	Total
Camcorder	2	\$1160	\$2,320
Multimedia Projector	2	\$1400	\$2,800

7. Dual-boot Macintosh Notebooks in the STC

There have been student requests for some higher-end Macintosh notebooks. Computing Services would like to explore the use of notebooks capable of dual booting between Windows XP and MacOS.

Item	# of systems	Cost Per	Total
MacBook Pro	2	\$2460	\$4,920
